1. Only the last year students can participate in the competition for Erasmus+ recent graduate traineeship scholarships. Students, who have already used more than 10 months of their Erasmus studies and / or traineeship mobility in the study cycle they are studying now, cannot participate in the competition. Non EU citizens must acquire TRP or RP before the beginning of their recent graduate traineeship.
2. Upon faculties decision there might be some extra criteria added or/ and criteria prioritized. For more information please contact international relations coordinator in your faculty.

Students with disabilities or special needs are eligible for extra funding to cover extra cost occurring (due to disability or special need) during the mobility. Please contact the coordinator.
